THE ETHICS OF PANDEMICS

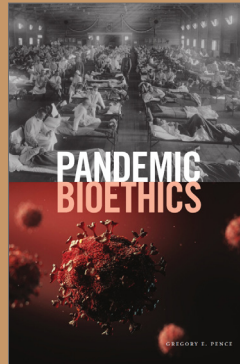

Edited by Meredith Celene Schwartz

Aug 2020 160pp
9781554815449 Paperback US\$19.95

The rapid spread of COVID-19 has had an unprecedented impact on modern healthcare systems and has given rise to complex ethical issues. This collection of readings and case studies offers an overview of some of the most pressing of these issues, such as the allocation of scarce resources, the curtailing of standard privacy measures

for the sake of public health, and the potential obligations of healthcare professionals to continue operating in dangerous work environments.
