THE ETHICS OF PANDEMICS

Edited by
Meredith Celene Schwartz
Aug 2020 160pp
9781554815449 Paperback
US\$19.95

The rapid spread of COVID-19 has had an unprecedented impact on modern health care systems and has given rise to complex ethical issues. This collection of readings and case studies offers an overview of some of the most pressing of these issues, such as the allocation of scarce resources, and the curtailing of standard privacy measures.

A portion of the revenue from this book's sales will be donated to Doctors Without Borders to assist in the fight against COVID-19.
