Realistic simulations put students in challenging situations where they need to analyze information and make decisions

Regular interactions keep the student actively engaged

Mobile and tablet friendly

GETTING STARTED IS EASY:

- 1 Identify the area of your course that you would like to add experiential learning to. Navigate Scenarios can be used to simplify a difficult topic area and increase student engagement.
- 2 Choose the Navigate Scenarios that best suit your course needs.
- 3 Contact your Account Specialist for an in-depth demo. During the demo, you will learn how you and your students will interact with the Navigate Scenarios.
- 4 Work with your Account Specialist to order your Navigate Scenarios. Contact Your Account Specialist Today at: go.jblearning.com/FindYourRep
- 5 Insert the Navigate Scenarios into your current lesson plan as homework, an in-class activity, or an exercise to reinforce difficult conceptual topics.
